The Creston Valley Forest Corporation dba. Creston Community Forest (CCF) is a non-profit forest management organization located in southeast British Columbia, overseeing the management of over 21,000 hectares of forest lands surrounding the Creston Valley. CCF's mission is to be outstanding stewards, managing forest resources for environmental sustainability and economic stability, while providing education and recreation opportunities in the Creston Valley. CCF's main goal is to direct profits back into the community through various projects, such as developing hiking trails, implementing fuel mitigation and wildfire awareness projects and hosting field trips for local school groups.

CCF is requesting applications from individuals interested in an educational bursary to advance them to a potential career in Forestry or Environmental Science. CCF will be accepting applications until June 1st, 2023.
