3. Student Representative - Pink Shirt Day - Pink Pancakes Feb 26th, 6-7 volunteers from Leadership. The leadership students will contact Crystal to go shopping. PAC will support with volunteers the day of as well.
4. Treasurer's Report- Sandra (M), April (S), Carried
5. Principal's Report

Mr. Adams - We concluded First semester 2 weeks ago and are now in full swing of our 2 nd semester. Learning updates were sent home and published to the Parent Portal last Friday. Students can pick up paper copies of their report cards at the office. Over the next few days Mr. Nelson and I will be talking with the different grade levels about next year and course selection options for the upcoming school year. Students who are entering or already in the grad program will need to be thinking about (with parents and schools staff's support) their pathway to graduation and the different options available to them.

In our extra-curricular world, we have much happening. Basketball is starting to wind down with the Jr. teams completing their Zone championships last weekend. Congratulations to our Jr. Boys for winning the EK Zones, and good luck on Wednesday in their EK/WK game. The bantam and Sr. teams will be wrapping up their seasons in the coming weeks. On Feb 27, 28 and March 1 st Ms. Comfort and students from grades 8-12 will be performing "A Mid Summer Nights Dream." The cast and crew have been rehearsing since September for their performances and we wish them the best of luck and hope everyone is able to come and watch their Shakespearean debuts.

Mr. Nelson - Seeing a larger number of partial assignment of students, partial FTE, this affects staffing for next year. The students often take a spare. This creates a liability component for the school. When a student has a spare, they should be in school, in a support block, present or off campus with parents sign out.
6. Discussion Items
 - a. Funding requests

- **Jr Boys Basketball- With the success of the Jr Boys at zones, they are looking to attend a provincial invitational in Langley Feb 21-25. Asking for funding for the trip. Mr. Nelson shares that the zones is the culmination of the Jr Basketball season. The tournament in Langley is not a school sanctioned event and not supported by the school. PAC denies funding.**
- **Streaming Equipment - Darryl has reviewed. Lecara Davidson has submitted a request for \$450. Total cost is \$700. Motion to fund \$450 from gaming Katie (M), April (S), Carried.**
- b. **Food programming- update, snack bin, weekly school wide meals, other?**
- c. **Kitchen upgrade - electrical inspection? complete? Feb20**
- d. **Athletic Jerseys - \$2000-4000 is the average cost. They can be sponsored. There is some confusion as to whether or not a corporate logo can be added. Jen will look into it.**
- e. **DPAC update - Chair has stepped down. Vice- Chair has taken over interim.**
- f. **Signing authority - needs to be completed. Only the current executive will have signing authority for both the general and gaming account.**

7. Open Floor

Parent member asked about Mascot upgrade. Recommended that that upgrade be put on hold till we go through the possible change of mascot.

8. Adjournment and next meeting March 11/25 @9am Adjourned at 9:45
