Bob Wigen was born in Wynndel to Monrad and Rose Wigen in 1929. Monrad Wigen established and founded Wynndel Box & Lumber, which originally produced wooden boxes for the valley farming community. Bob had a successful career, along with his brother, working and eventually taking over their dad's mill, Wynndel Box & Lumber, in 1959. Bob also owned Wynndel Logging Company. The Wigen family business contributed to Wynndel and the Creston Valley for over 100 years. Bob was active in both companies up to 2011 when he retired at 81 years old.

Lynn Wigen was born to Bob Wigen in 1963. She graduated from KRSS to follow in her dad's footsteps as a successful entrepreneur and business owner in Vancouver, BC. Lynn, as a partial stakeholder in both companies, is grateful for the legacy her dad gave her with shares in the company, and has fond memories of the Wynndel Box & Lumber mill and its dedicated workers. Although Bob and Lynn had limited involvement with the mill since Bob's 2011 retirement, they are both grateful to the former and present employees and wish to give back to their employee's children with financial assistance to pursue their own post-secondary education and careers. Bob and Lynn have each pledged \$1000 for the next 10 years, hoping that other individuals in Creston Valley also pledge bursaries to the future young citizens of KRSS pursuing their dreams. Unfortunately, Bob sadly passed away on March 18th, 2023, but his loving daughter Lynn will be continuing the bursary donations on his behalf. Lynn will always cherish the fond memories of her father Bob, the Creston Valley and their many treasured friends.
