

Your Path to the Trades Sampler: The 4-Step Selection Process

STEP 1: Submit Your Complete Application Package

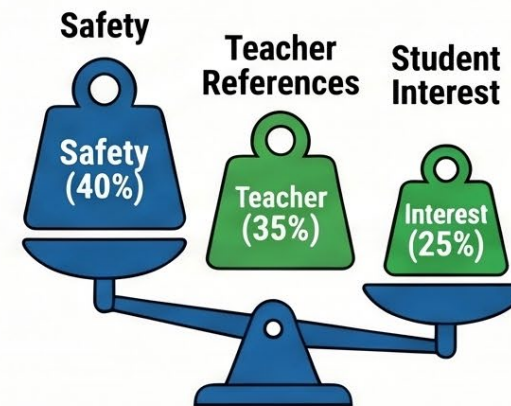

Provide your Expression of Interest, a Teacher Reference form, and the signed Student/Family Agreement.

STEP 2: Pass the Safety Readiness Gatekeeper

You must achieve a "Level 3 - Ready" score in safety compliance and self-regulation to be considered for the program.

STEP 3: Evaluation via the Weighted Scoring Matrix

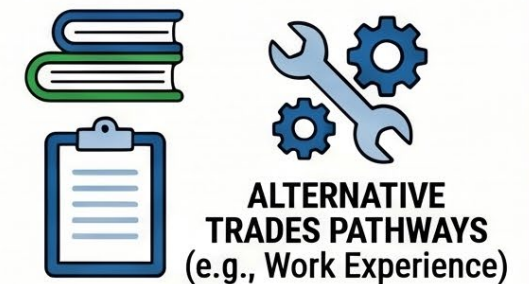

Eligible applicants are ranked based on Safety (40%), Teacher References (35%), and Student Interest (25%).

STEP 4: Final Cohort Selection and Placement

The top 16 candidates are selected for the semester;

others are guided toward alternative trades pathways like Work Experience.
